The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding $1,000,000 for the Township of Weehawken’s Public Safety Department’s Radio System Update. The intended recipient is the Township of Weehawken located at 400 Park Ave, Weehawken, NJ 07086.

The funding would be used to update the Township’s outdated radio system that is currently operating on an obsolete analog system over 16 years old. The improvements will allow radio communication between Police Officers, Emergency Medical Technicians, public safety officials, and the communications center so the Public Safety Department can better serve the residents of, and those who commute through, Weehawken. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
